HandLoan.ai — complete website capture

Every page of handloan.ai, captured 5 November 2026 (with lending partners) from the current production build (the exact files that get uploaded to Hostinger).
Operated by Jatta M Kommerce Private Limited · CIN U58200MH2024PTC428411

How this capture was made

- Each page is printed at desktop width (1280 px) with its full text, so the PDF text is searchable and copyable.
- Everything that normally needs a click is shown **open**: both hero carousel slides, every FAQ answer, and the EMI repayment schedule. Forms are shown empty, exactly as a visitor sees them (no consent box is pre-ticked).
- The floating chat assistant and WhatsApp button are moved to the Appendix so they don't cover the content.
- Any text shown as **[TODO: …]** is a placeholder that hasn't been filled in on the website yet. It appears exactly as a visitor would see it.

UNDERSTAND YOUR EMI

How is EMI calculated?

An Equated Monthly Instalment (EMI) is the fixed amount you pay the lender every month until the loan is repaid. Each EMI covers part of the principal and the interest on the outstanding balance. Early EMIs have a larger interest component; later EMIs repay more principal.

$$EMI = P \times r \times (1 + r)^n \div [(1 + r)^n - 1]$$

- **P** — loan amount (principal)
- **r** — monthly interest rate (annual rate ÷ 12 ÷ 100)
- **n** — tenure in months

EMI vs. APR

The EMI shows what you pay each month. The **Annual Percentage Rate (APR)** shows the full yearly cost of the loan, including interest *and* fees such as the processing fee. Always compare offers on APR — you will find it in every lender's Key Facts Statement.

Tips for a comfortable EMI

- Keep your total EMIs within 40–50% of your monthly income.
- A longer tenure lowers the EMI but increases the total interest you pay.
- Paying EMIs on time helps maintain a healthy credit score.

About HandLoan.ai

HandLoan.ai is a loan facilitation platform operated by **Jatta M Kommerce Private Limited** (CIN U58200MH2024PTC428411). We help you start a loan enquiry with the lending partners listed on our Lending Partners page, and share your enquiry with a lender only with your consent. HandLoan.ai does not lend money or sanction loans.

HandLoan.ai is not a bank or a Non-Banking Financial Company (NBFC) and does not hold a lending licence. It does not sanction or disburse loans. The lending partner sanctions and disburses any loan at its sole discretion, subject to its own eligibility assessment, verification, underwriting and approval process.

Loan offers and approval

Submitting an enquiry does not guarantee a loan offer, approval, or disbursement. The lending partner evaluates any application and decide whether to lend, how much to lend, what terms to offer, and when to disburse. The lender may request additional information or documents as part of its assessment.

Any loan amount, interest rate, repayment period, or timeline displayed as an illustration is indicative. Before accepting an offer, review the lender's **Key Facts Statement (KFS)**, where applicable, and the loan agreement. Check the Annual Percentage Rate (APR), applicable charges, repayment schedule, and total amount payable.

Charges and payments

HandLoan.ai does not charge you any fee for submitting an enquiry. Never pay anyone an upfront fee. Any applicable lender charges are disclosed by the lending partner in its offer documents and Key Facts Statement before you accept.

Credit checks and application information

Provide accurate and complete information in your enquiry. HandLoan.ai does not fetch your credit report; a lender that reviews your enquiry in future may do so, only after telling you who is requesting the report and why, and with your separate authorisation.

Calculators and general information

Calculators and examples on HandLoan.ai provide estimates. They do not constitute a loan offer or financial advice. Review the lender's actual terms before making a borrowing decision.

AI chat assistant

The chat assistant on this website is an automated AI tool provided by our technology partner iamkratu.ai. It can explain general loan information and guide you on how to send an enquiry. It does not make credit decisions, cannot guarantee approval, an interest rate or a disbursement timeline, and may occasionally give incomplete or inaccurate answers. Any final loan decision would be made by a lending institution, and the terms that would apply to you are those in the lender's offer, Key Facts Statement and loan agreement. To speak with a person, call +91 99866 07600 or email help@handloan.ai.

Third-party links

This website links to third-party websites, such as the Reserve Bank of India, WhatsApp and our technology partners. We are not responsible for their content or practices; their own terms and privacy policies apply.

Support and responsibilities

Any lender is responsible for its own credit decision, loan terms, and disbursement. HandLoan handles questions and complaints about its own platform and services. Your rights and remedies under applicable law remain available.

For support, email **help@handloan.ai** or call **+91 99866 07600** (Monday to Saturday, 9:30 AM – 6:30 PM IST (closed on public holidays)). For data handling and payment disputes, see the Privacy Policy and Refund & Cancellation Policy.

These Terms govern your use of the HandLoan.ai website, its enquiry and grievance forms, chat assistant and related services. References to “HandLoan”, “we”, and “us” mean Jatta M Kommerce Private Limited. References to “you” mean the person using the platform.

2. Eligibility and acceptance

To submit an enquiry you must be 21 to 58 years old, an Indian citizen or resident, able to enter into a contract, and have a monthly income of at least ₹15,000. Lending partners may apply additional eligibility criteria.

When you submit an enquiry, we will ask you to accept these Terms. The Privacy Policy explains how we handle personal data. Any separate consent or authorisation required for a credit check, personal data processing or sharing, or optional marketing will be requested at the relevant step.

3. What HandLoan provides

HandLoan.ai is a loan facilitation platform that works with the lending partners listed on its Lending Partners page. HandLoan collects your enquiry and explains loan options in plain language; it does not lend money, approve loans or collect repayments. HandLoan shares your enquiry with a listed lending partner only after telling you which lender and taking your consent. The lender identified in any offer is the entity responsible for the loan.

4. Enquiries, offers, and loan contracts

An enquiry is not a loan application or a loan offer, and does not guarantee a loan. If you choose to apply with a lending partner, the lender may verify your information, request additional documents, decline an application, or issue an offer. Review the lender's name, loan amount, APR, tenure, repayment schedule, charges, and KFS where applicable before accepting an offer. Your loan agreement is with the lender.

Follow the lender's verified instructions for disbursement and repayment. HandLoan does not collect loan repayments into its own account.

5. Charges, withdrawals, and refunds

HandLoan.ai does not charge you any fee for submitting an enquiry. Never pay anyone an upfront fee. Any lender charges are disclosed by the lender in its Key Facts Statement. Please refer to our Refund & Cancellation Policy for how to report a payment issue or withdraw an enquiry. For an already disbursed loan, the lender handles cooling-off, prepayment, and closure under the applicable terms and rules.

6. Your responsibilities

Provide information that is accurate, current, and yours to share. Keep your account credentials and one-time passwords confidential. Notify us promptly if you suspect unauthorised use of your account. You may use the platform for lawful purposes. We may restrict access if we reasonably suspect fraud, misuse, or a security risk, subject to applicable law.

7. Platform content and responsibility

You may use HandLoan's website and app for their intended purposes. Platform content, software, and branding belong to HandLoan or the respective rights holders.

HandLoan is responsible for its own services and obligations under applicable law. The lender is responsible for its lending decisions and loan obligations. Nothing in these Terms limits rights or remedies that cannot lawfully be limited.

8. Third-party services

Some features are provided by third parties: the AI chat assistant on our website (provided by iamkratu.ai), WhatsApp, our hosting and email providers, and the lending partners listed on our Lending Partners page (only with your consent). Their own terms and privacy notices also apply when you use them. The chat assistant is an automated tool: it gives general information, cannot approve or guarantee a loan, and may occasionally be inaccurate, so always rely on the lender's offer, Key Facts Statement and loan agreement.

9. Limitation of liability

HandLoan is responsible for providing its own services with reasonable care and skill. To the extent permitted by law, HandLoan is not responsible for a lender's decision to approve or decline an application, the lender's loan terms, disbursement or recovery actions, or for loss caused by inaccurate information you provide, by your sharing your credentials or one-time passwords, or by events beyond our reasonable control. Nothing in these Terms excludes or limits any liability, or any right you have, that cannot be excluded or limited under applicable law, including consumer protection law.

10. Suspension, termination, and account deletion

You can stop using the platform at any time. To withdraw an enquiry and request deletion of your personal data, email help@handloan.ai; we will act on your request as described in the Privacy Policy, subject to records we must keep by law. Closing your HandLoan account does not close or cancel a loan you have taken from a lender: your loan agreement continues until it is repaid or closed under its terms.

We may suspend or close access to the platform if we reasonably suspect fraud, misuse, a security risk or a breach of these Terms, and will tell you the reason where the law allows.

11. Complaints and disputes

For a HandLoan complaint, email **help@handloan.ai** or call **+91 99866 07600** (Monday to Saturday, 9:30 AM – 6:30 PM IST (closed on public holidays)). Include your enquiry reference (if any) and a brief description of the issue. If it is not resolved, escalate to our Grievance Officer, Amit, at **help@handloan.ai** or +91 99866 07600.

For a lender-related complaint, use the lender's grievance contact shown in its KFS or on its official website. If the lender rejects your complaint, you are dissatisfied with its response, or you receive no response within 30 days, you may escalate an eligible complaint through the RBI Complaint Management System under the applicable scheme. These Terms are governed by Indian law. Your right to approach a competent court, consumer forum, or regulator remains available.

12. Changes to these Terms

We will publish updated Terms with their effective date and notify users of material changes where required. Existing loan agreements are governed by their own terms and applicable law.

Chat assistant	The chat window on this website is an AI assistant provided by our technology partner iamkratu.ai. Messages you type, and any name, phone number or email you choose to share in the chat, are processed by iamkratu.ai to answer you and to let our team follow up. If you use the voice-call option, your browser will ask for microphone permission first.
WhatsApp	If you choose to message us on WhatsApp, your conversation is also subject to WhatsApp's own privacy policy.
Fonts	Pages load fonts from Google Fonts, which receives your device's IP address and browser details to deliver them.
EMI calculator	Runs only in your browser. The numbers you enter are not sent to us or anyone else.

This website does not place personal, financial or identity information in web addresses (URLs), and does not send the contents of our forms to any analytics or advertising platform.

5. How we use and share information

We use personal data to respond to your enquiry, explain loan options, provide updates, handle complaints, prevent misuse and meet legal obligations. **We do not sell your personal data.** We share only the information needed for the stated purpose:

Recipient	What and why
Lending institutions	Only the lending partners listed on our Lending Partners page, only after we tell you which lender and you consent, and only the details that lender needs to assess your loan request.
Website hosting (Hostinger)	Hosts this website and sends form submissions to our team by email.

Our email service providers	Deliver and store the emails your form submissions and messages create.
iamkratu.ai	Provides the AI chat assistant, for messages you type in the chat.
WhatsApp (Meta)	Only if you choose to contact us on WhatsApp.
Authorities	Where disclosure is required by law, or to prevent fraud or protect our users.

HandLoan.ai does not use credit-check or KYC providers today. If that changes, we will list each provider, its purpose and its privacy notice here before any data is shared with it.

6. Consent

We ask for your consent separately for each purpose, in clear language, before collecting or sharing information. Consent boxes are never pre-ticked, and consent for marketing is optional and separate from the consent needed to respond to your enquiry. You can withdraw consent at any time by emailing help@handloan.ai. Withdrawal does not affect processing already carried out, or information we must keep by law.

7. Storage, retention, and security

We keep enquiry, consent, support and complaint records for up to **24 months** from your last interaction with us, unless you ask us to delete them sooner or the law requires us to keep them longer. We then delete or anonymise them. We restrict access to authorised personnel and use safeguards appropriate to the data we handle, including encrypted (HTTPS) connections for every form.

8. Your choices and rights

Subject to the Digital Personal Data Protection Act, 2023 and the rules made under it, you may:

- ask for a summary of the personal data we process about you and the purposes for which we process it;
- ask us to correct, complete, update or erase your personal data;
- withdraw your consent;
- raise a grievance with us about how your personal data is handled; and
- nominate another person to exercise these rights on your behalf in case of death or incapacity.

To make a request, email **help@handloan.ai**. We may verify your identity before acting.

9. Children

We accept enquiries only from people aged 21 to 58. We do not knowingly collect personal data from anyone under 18. If you believe a child has shared personal data with us, please contact us so that we can delete it.

10. Cookies, analytics, and advertising

This website uses only essential technology, such as a temporary session cookie that helps protect our forms from spam. It does not currently use advertising or analytics tools.

If we run advertisements, we may use Meta Pixel and Google Analytics with your consent to understand which ads bring enquiries. We never send them the contents of your enquiry (such as name, mobile, income, loan amount). You can withdraw consent anytime via help@handloan.ai.

Promotional messages are sent only if you tick the optional marketing box, and are separate from updates about your enquiry. You can opt out at any time using the option in the message or by contacting support.

Refund & Cancellation Policy

Effective date · 5 November 2026

1. What this policy covers

This policy explains how to withdraw an enquiry, what to do if anyone has asked you for a payment in HandLoan.ai's name, and how cancellation works for a digital loan from a lender. HandLoan.ai is operated by **Jatta M Kommerce Private Limited** (CIN U58200MH2024PTC428411). HandLoan.ai is a loan facilitation platform, not a lender, and works with the lending partners listed on our Lending Partners page.

2. Fees

HandLoan.ai does not charge you any fee for submitting an enquiry and does not accept payments from borrowers. Never pay anyone an upfront fee. Because HandLoan.ai takes no fee, there is nothing for HandLoan.ai to refund for an enquiry.

Any fee charged by a lending partner is disclosed in the lender's offer documents and Key Facts Statement (KFS) before you accept, and questions about it should be directed to the lender.

3. Withdrawing your enquiry

You can withdraw your enquiry at any time by emailing **help@handloan.ai** or calling **+91 99866 07600**. We will stop contacting you about it and, if you ask, delete your details, subject to any records we must keep by law. If your enquiry has already been shared with a lending partner (with your consent), contact that lender too; we will help you find the right contact.

4. Exiting a digital loan after disbursement

If you take a digital loan from an RBI-regulated lender, contact that lender promptly if you want to exit during the applicable cooling-off period. The lender's KFS and loan documents explain the period, the amount payable, and how to exercise that right. During the applicable period, you may exit by paying the principal and the proportionate cost calculated using the APR, without a penalty. The lender may retain a reasonable one-time processing fee where permitted and disclosed upfront. After the cooling-off period, the lender's applicable prepayment and closure rules apply.

5. Payments made to anyone in HandLoan.ai's name

HandLoan.ai never asks for money, OTP, UPI PIN, CVV or documents. If you have paid, or been asked to pay, anyone claiming to be HandLoan.ai or a HandLoan.ai partner lender, it was not authorised by us. Report it straight away to **help@handloan.ai** and **help@handloan.ai**, contact your bank or payment provider, and report it at cybercrime.gov.in or call **1930**. We will cooperate with your bank and with lawful requests from the authorities.
